

7 February 1966

MEMORANDUM FOR THE RECORD

SUBJECT: Amendments to Foreign Service Act of 1946 (S. 2633 - 86th Congress)

1. A meeting was held this date with the following personnel present:

25X1

2. The principal point of discussion centered around the proposed new section 803 of the Act which would provide that in accordance with such regulations as the President may prescribe any Foreign Service staff officer or employee who has at least 10 years of continuous service in the Foreign Service shall become a participant in the Foreign Service Retirement and Disability Fund.

3. It was the consensus of the meeting that it would not be practical to seek a change in the wording of the proposed legislation but for the time being at least to go along with it, with a view to seeking to have future regulations written in such a way as to provide the flexibility desired by the Agency. [redacted] stated he would keep in touch with this situation through Mr. Wallace Stewart, State Department Personnel Officer.
